

## Precision CNC Machined Parts

### Features of [precision CNC machined components](#):

- Product name: Precision CNC Machined Parts
- Material:Carbon Steel, Barss, Copper, Stainless Steel, Alumnum, Titanium Alloy
- Machining Tolerances:0.01mm
- Machining Process:  
CNC Turning, CNC Milling, Grinding, Threading, Tapping, Bending, Welding, Drilling, Forging
- Min. Order:500PCS
- Surface Treatment: Polishing, Heat Treatment, Sand Blasting, Zinc Plated, Anodization, Chemical Fim,

**Tel:**+86 574 62387787 **Fax:**+86 574 62387788 **Mobile:**+86 13758266067 **Skype:**hewcho  
**Email:**info@hewcho.com **Whatsapp:**+86 13758266067 **Website:**www.hewcho.com

- Packing: Carton Box, Blister tray, Pallet, Wooden Case.
- Certificate:ISO9001:2008, ISO/TS16949

As a [high precision machining parts](#) manufacturer, we provide **high precision machined components**.

What we can Provide:		Machining Material:	
CNC Machining Service		Carbon Steel	
CNC Turning Service		Stainless Steel	
CNC Milling Service		Aluminum	
Cold Forging Service		Brass	
Metal Stamping Service		Copper	
		Titanium Alloy	
Surface Treatment		Application:	
Heat Treatment		Automobile Spare Parts	
Sand Blasting		Electrical Appliance Industry	
Polishing		Electronics Industry	
Zinc Plated		General Industry	
Anodization		Machinery and Equipment	
Chemical Film		Hydraulic and Pneumatic	

Ningbo Hewcho Industrial Limited owns several precision machining lines and can provide **precision cnc machining services** for a wide range of metal parts according to customer requirements.

As one of the leading **precision machining suppliers**, we offer typical materials include: carbon steel, aluminum, silicon aluminum alloy, titanium alloy, Kovar, copper alloy, magnesium Alloys, copper, stainless steel, etc. We are especially good at parts with small machining tolerances and complicated structures, covering many fields such as electronics, automotive, mechanical heavy industry, aerospace, and semiconductors.

The products include: electronic enclosures and covers, electronic components, laser equipment

**Tel:**+86 574 62387787 **Fax:**+86 574 62387788 **Mobile:**+86 13758266067 **Skype:**hewcho  
**Email:**info@hewcho.com **Whatsapp:**+86 13758266067 **Website:**www.hewcho.com

parts, and aerospace Equipment parts, optical parts, mechanical equipment parts, CNC milling parts, pneumatic parts, mechanical parts, communications, semiconductor parts, etc.

**The advantages of precision CNC machining**

Whether you use our **precision machining services** alone or, like many other customers, with our precision laser tracking alignment and our laser-guided machining services, you can look forward to all of Metalock's usual benefits:

- Higher machining accuracy
- save time and money
- A proven solution-oriented approach
- Worldwide accessibility
- A convenient one stop manufacturer for CNC turning, milling and other technical services you need
- Decades of experience - you can safely rely on us when we do your on-site CNC machining

			
CNC Lather Parts	CNC Metal Parts	CNC Auto Parts	Machining Aluminum Parts
			
Brass Machined Parts	Metal Machined Parts	Custom Machined Parts	Precision Machined Components

			
Stainless Steel Machining Parts	Carbon Steel Machining Parts	CNC Precision Parts	Machining Small Metal Parts

**Why Choose [Hewcho](#)?**

Low price, process performance (e.g., weldability and cold formability) good.
